

2023-2024 TRADITIONAL 6TH-12TH GRADE SCHOOL SUPPLY LIST

All students are expected to have necessary supplies for all classes, depending on the teacher, this will vary from class to class. Below are a list of supplies for certain classes, but on the first day of school there may be a few additional requirements. You should have pens, pencils, paper (in binder(s)) or notebooks at a minimum to get started. If you are in high school you should have a scientific calculator as well.

If you are taking Dual Credit classes, you will receive an email with the textbooks you need to purchase for your class(es).

You will have a locker, so locker shelves are highly recommended. Locker decorations are up to you, but the lockers need to be completely cleaned at the end of the year, so stick to magnets or locker specific wallpaper rather than stickers. On the outside of your locker you may have Bracken Spirit items, but no other items - those need to stay inside your locker.
