What is Bracken Staff Reading?

Did you know that the staff does a book study together every semester through the lens of a biblical worldview? Our current study is ***The Anxious Generation*** by **Jonathan Haidt**. It's an eye opening book about technology/social media and how it influences teens/children. Last year we read *Dare to Lead* by Brene Brown and *The Ruthless Elimination of Hurry* by John Mark Comer.

Do you have a recommendation for us for next semester? We'll be sure to share our next title with you prior to us starting so you can read at the same time if you'd like!

Thanksgiving Break

*Campus will be closed for Thanksgiving Break from **November 25th-November 29th.***

Happy Thanksgiving from the Bracken faculty and staff!
